A FAMILY BUSINESS

Having fallen in love with the resort of Saint-Martin-de-Belleville, where they regularly visit with their family, the owners, originally from the Liège region, bought the Alp Hôtel in 2004.

Despite its ideal location at the foot of the slopes and its famous after-ski atmosphere, the Alp Hotel was getting old over the years.

They decided to embark on a crazy project: to extend and renovate the existing hotel from top to bottom. After a little over a year of work, the Lodji was opened in spring 2021.

DO YOU LIKE THE PLACE?

Take possession of the place! You will have access to all the infrastructure including a wellness area, an infinity pool with a view of the peaks, a sauna, a hamman, two outdoor spas, a fitness area, etc.

The Lodji has 47 rooms, 10 of which have a private outdoor spa and one suite.

It is the ideal place to organize your event and invite your loved ones...

You will be welcomed by a team of professionals, who will do their utmost to create the event that suits you.

In the kitchen, a team of young and creative chefs is at your disposal to carry out your wishes in the smallest details, thematic tables, mountain picnics, etc.

Tell us what you want, there are no limits for us!
