## A FAMILY BUSINESS

*Having fallen in love with the resort of Saint-Martin-de-Belleville, where they regularly visit with their family, the owners, originally from the Liège region, bought the Alp Hôtel in 2004.*

*Despite its ideal location at the foot of the slopes and its famous after-ski atmosphere, the Alp Hotel was getting old over the years.*

*They decided to embark on a crazy project: to extend and renovate the existing hotel from top to bottom. After a little over a year of work, the Lodji was opened in spring 2021.*

## DO YOU LIKE THE PLACE?

*Take possession of the place! You will have access to all the infrastructure including a wellness area, an infinity pool with a view of the peaks, a sauna, a hamman, two outdoor spas, a fitness area, etc.*

*The Lodji has 47 rooms, 10 of which have a private outdoor spa and one suite.*

*It is the ideal place to organize your event and invite your loved ones...*

*You will be welcomed by a team of professionals, who will do their utmost to create the event that suits you.*

*In the kitchen, a team of young and creative chefs is at your disposal to carry out your wishes in the smallest details, thematic tables, mountain picnics, etc.*

*Tell us what you want, there are no limits for us!*
